Strategic Plan Update

The District Leadership Team at St. Henry Schools has been working diligently to develop a strategic plan that will define the district's priorities and serve as a guiding framework for the years ahead. Through this collaborative process, we have identified five key priorities: Student

Success, Communication and Collaboration, School Pride, Community Engagement, and Fiscal Responsibility. While there is still work to be done to finalize the framework, we are on track to present the completed strategic plan at the March 10, 2025, Board of Education Meeting. This process has underscored the value of collaboration and open communication to ensure that all stakeholders remain informed and involved in the future of St. Henry Schools. We are excited about the direction our district is heading and the opportunities ahead!

Building Pride and Unity at the District-Wide Pep Assembly

Our recent winter district-wide pep assembly was an unforgettable celebration of school pride and community spirit! Bringing together students and staff from across the district, the event showcased what makes our schools truly special: a shared sense of purpose, energy, and unity.

One of the most memorable moments was the enthusiasm brought by our elementary students. Their cheers, smiles, and pure excitement were contagious, reminding everyone of the joy and energy that comes from being part of something bigger than ourselves. Watching the youngest

members of our school community cheer alongside middle and high school students was a powerful reminder of the strong bond that ties us together.

Mrs. Hemmelgarn, K-12 Music teacher, makes it her mission to teach every elementary student the fight song, ensuring they know the words and melody by heart before moving on to middle school. This dedication was on full display at the pep assembly, where the students proudly sang their hearts out, filling the gym with spirit and enthusiasm. Events like this are about more than just school spirit—they're about fostering a culture of support and togetherness. Seeing everyone dressed in school colors, participating in activities, and cheering each other on created an atmosphere of pride that extended well beyond the walls of the gymnasium. It was a moment to celebrate all that we've achieved together and to inspire one another for the future.

The district-wide pep assembly was a testament to the incredible community we share—a place where every student and staff member belongs and where we all work toward a common goal. Let's carry this spirit of unity and pride forward as we continue to achieve great things together!

R-E-D-S-K-I-N-S!!

School Board Appreciation Month

January marked School Board Appreciation Month, a time to honor the invaluable contributions of our district's school board members. These individuals devote countless hours to the challenging task of guiding our schools, often going above and beyond their monthly meetings to serve our community. Their leadership plays a vital role in ensuring our schools are equipped with the resources and support necessary to provide every student with a high-quality education. As both community members and advocates for public education, their dedication often works behind the scenes but leaves a lasting impact on our schools and students. Let's take a moment to recognize and thank them for their unwavering commitment and exemplary service to our community. Thank you to Andy Fullenkamp - President, Paul Moorman - Vice President, Gail Hess, Ben Miller and Brad Nerderman for what you do for St. Henry Schools!

Thank you!

Calamity Days Used This School Year

As of January 22, 2025, the St. Henry Consolidated Local School District has thankfully only used two of its allotted calamity days for weather-related closure days so far this school year. Currently, the school year remains on schedule with no makeup days needed. However, if more than five days are missed going forward due to severe weather or other issues necessitating school closure, the district has designated potential makeup days of Friday, February 14 and then Monday, February 17, if needed. Hopefully, the area will avoid any major storms and the school calendar will stay on track. A calendar that specifies the board approved make-up days can be found on our district website under the District link and by selecting District Calendar.

Good Luck to all of our winter and spring sports teams!

GO SKINS!

Senior Citizens' Breakfast

On Wednesday, December 11, 2024, St. Henry held its 22nd annual Senior Citizens' Breakfast in the Commons. There were approximately 95 people who attended. The 2nd grade class entertained the crowd by singing some Christmas songs as well as several high school choir members. Thanks to all the students and staff who made this a success.

From the Board of Education

Mrs. Gail Hess

It's that time of year when the cold weather is here in full force. While the winter snow has been mild so far, the recent cold snap has placed extra strain on our buses, adding more work for our team. I want to thank the staff for their extra efforts on those chilly mornings, and also extend my appreciation to all of our drivers for ensuring safety on the daily routes and extracurricular activities.

Through our strategy meetings, questionnaires, and ongoing dialogue with members of the community—staff, students, and administration alike—it is clear that people in our community truly care. There's a desire to be involved and to represent the best interests of our school system and the children we serve. In recent months, I hope those who are interested have had opportunities to learn more about the ongoing activities within the school system and to provide their valuable input. As we continue to consolidate feedback and develop a strategy for the district, more information will be shared.

There are so many great things happening in our school system. From the district-wide school assemblies that

generate excitement and school spirit, to the diverse classroom and club activities that engage our students. With my own children spanning grades 1 through 10, I've been impressed by the variety of experiences they are exposed to. For example, the preparation for the 8th grade DC trip has been eye-opening, highlighting the effort that goes into making it more than just a trip. My oldest recently participated in the Ag FFA state testing, alongside many other students who have had the opportunity to take part in a range of FFA activities. I take great pride in what he and our chapter have accomplished in putting us on the map within the state. Our youngest, in elementary school, loves the "bussin'" new playground, and it's bittersweet to think that this stage of life will soon become a memory as time passes so quickly. I am so grateful to have children and teachers who are engaged and committed to helping every student be their best. We are fortunate here in St. Henry to have the ability to communicate openly, collaborate constructively, and make informed decisions. I am excited about the future and always thankful for your continued support!

From the Elementary School

Word of the Month

St. Henry Elementary students will focus on the words of the month: **Kindness** for February and **Inspiring** for March. Through our Redskin Way groups, students will collaborate with their peers to practice and demonstrate these important values in meaningful ways.

Preschool/Kindergarten Registration

Mrs. Courtney Imwalle

Registration for the 2025-2026 Preschool and Kindergarten school year at St. Henry Elementary is now open! Your child must be 4 years old to attend **Preschool** at St. Henry Elementary for the 2025-2026 school year. A preschool survey link has been emailed to parents based on our records. If you did not receive the email, please contact the office. *Parents of first-year preschoolers are invited to an open house on March 10, 2025, from 6:00-7:00 PM to tour the classroom. During the event, Mrs. Knapke and Mrs. Thees will share an overview of expectations and other key information. This meeting is for parents only, as students will have the chance to see the classroom during the fall open house. Parents of second-year preschoolers do not need to attend.*

Children turning 5 years old before August 1, 2025, are eligible to attend **Kindergarten** this fall. To enroll your child, please contact the St. Henry Elementary office by phone or email. If you have already completed the Kindergarten Google Sign-Up form sent via email, no further action is needed at this time. *An informational meeting for parents of incoming kindergarteners will take place on March 10, 2025, from 6:00-6:30 PM in the elementary gym.*

From the High School

Ohio State Testing Information

Mr. Eric Rosenbeck

Parents, on January 13th, I emailed all freshmen, sophomore and junior parents a letter concerning Ohio State Testing. Please make sure to read this very important email; after reading it, please let me know if you have any questions, comments or concerns.

St. Henry High School will be administering the Ohio State Tests starting on Tuesday, April 8th. The Ohio State Tests are planned to be administered as follows:

- English 10 on April 8th & 10th in the Morning
- Algebra I and Geometry on April 29th and May 1st in the Afternoon
- American Government, American History and Biology on April 30th in the Morning

A more detailed schedule will be passed out to the students in late March/early April. All students not involved with testing will be expected to attend school during regular school hours, 8:05-2:58. If you have any questions concerning Ohio State Tests, please email [rosenbeck.eric@sthenryschools.org] or call high school Principal Eric Rosenbeck [(419) 678-4834, extension 2200]. I will be glad to answer any and all questions, comments, or concerns you have on this matter.

Guidance News

Mrs. Julie Overman

We're well into the second semester so students in grades 9-11 have received their course request forms for the 2025-2026 school year. The **Course Description Book** is available under the Guidance tab at **Redskin Counseling Corner**.

8th Grade Scheduling/Orientation

An 8th Grade Scheduling and Orientation Meeting will be held on **Wednesday, February 5th, at 6:00 PM in the Commons**. This meeting is for all current 8th grade students and at least one parent/guardian. If you cannot attend, please contact Mrs. Overman.

College Credit Plus (CCP) Deadlines

Students interested in taking College Credit Plus courses must submit their **Letter of Intent Form** to the guidance office by **April 1st, 2025**. Without this form on file, students will not be eligible for CCP courses offered at St. Henry through Rhodes State or any online options. More information about CCP can be found at **Redskin Counseling Corner** under **School – College Credit Plus**.

ACT for Juniors

All juniors who signed up to take the ACT on **March 11th, 2025**, will do so at the **St. Henry American Legion**. Students do not need to register, as the school has already

The school day will run as scheduled for all students not involved in these tests. If you have any questions about the OST, please call Kyle Kunk at (419) 678-4834, extension 2300. He will be glad to answer your questions, comments, and/or concerns that you may have on this matter.

Spelling Bee Winners

Mrs. Tracy Thieman

On Tuesday, December 17th, forty students from St. Henry Middle School participated in this year's spelling bee. The top three spellers qualified to compete in the Mercer County Spelling Bee, which will be held on Monday, March 3, 2025. They are shown in the picture from left to right: 8th grader, Emma Grieshop, daughter of Ryan and Julie Grieshop, 8th grader and School Champion, Daniel Fullenkamp, son of Andy and Heather Fullenkamp, and 7th grader Libby Speck, daughter of Doug and Lori Speck.

HS Student Council

Mrs. Donna Rindler and Mrs. Jen Kuess

The student council has been very busy this school year. Since homecoming events, the council members have helped serve breakfast for community members at the Senior Citizens' Breakfast, and held the annual Tis' the Season Fundraiser.

The Tis' the Season Fundraiser was held between November and December. Donations at the high school were raised through a Karaoke Event.

Teachers Jerry Mestemaker, Brad Luthman, and Mike Gast were the karaoke singers with the most money donated to their respective collection jars. Because the students exceeded the fundraising goal, principal Eric Rosenbeck also sang for the high school student body.

In addition, the middle school raised money for winter apparel for families and the elementary donated food and hygiene items to the cause. A big thank you goes out to the students, staff, and community who all help make this event a great success in helping families in our own community.

Blood Drive

Mrs. Melissa Laux

On Wednesday, January 15th, St. Henry High School hosted our annual blood drive. The goal for this blood drive was to collect 35 units of blood and I am proud to say that we were able to collect 32 units of blood for the American Red Cross.

I would like to thank all of the students, staff, parents and the American Red Cross who helped with this blood drive. Many students and staff were able to donate blood by sacrificing their study hall or classroom time. Those students who could not donate blood contributed by bringing in cookies, pop, juice or assisted with the blood drive. I would especially like to thank our sponsor, Mr. Brad Rindler and the St. Henry FFA. The morning of the blood drive, the FFA sponsored a free breakfast for all the students who donated blood, contributed food or worked the blood drive. The students enjoyed pancakes, eggs, sausage, yogurt and juice before school.

I would also like to thank the businesses and individuals who donated the food and drinks for breakfast. Thank you to Rindler Poultry for donating the eggs, Gilbert Station for donating the sausage, Nick Schlarman Construction for donating the pancake mix and Dannon for donating the yogurt. The milk, juice, plates and utensils were purchased by the FFA.

Again, I would like to thank everyone who helped out with this blood drive.

FFA

Mr. Brad Rindler

“I spy with my little eye something...red.” Nathan Timmerman, a high school student from Versailles, Ohio, can proudly say that every time he looks in his barn, as he was the winner of the 1950 Farmall H tractor that the St. Henry FFA restored during the 2023-2024 school year. The tractor was raffled off on the last day of the Mercer County Fair. Over 700 raffle tickets were sold. Thank you so much to everyone who bought a raffle ticket in support of the FFA chapter. In addition, as the fall fruit and nut sales concluded, members would like to thank everyone who purchased something from the St. Henry FFA.

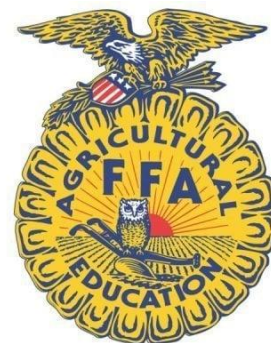

As the days become colder, the time commitment becomes longer for several FFA members. From studying and participating in Career Development Events, attending conventions and meetings, and doing community service activities, St. Henry FFA members have been busy. In October, three students competed in the district Job Interview contest, with one student advancing to the state contest. In December, four students competed in the Agricultural Technology & Mechanical Systems contest, where they placed 7th in the state. In addition, seven students recently competed in the district Food Science contest, where they placed 6th. Upcoming contests that students are preparing for include Ag Biotechnology, Public

Speaking, Nursery & Landscaping, Outdoor Power, and Ag Power Diagnostics.

In November, the St. Henry FFA traveled to Indianapolis with the Coldwater FFA for the 97th National FFA Convention. On their trip, students had the opportunity to tour several agricultural businesses in Ohio and Indiana. Students toured MVP Dairy in Celina, Ohio, where they learned and saw how over 4,000 cows were milked, fed, and cared for daily. In addition, students met with representatives from Tyson Fresh Meats in Logansport, Indiana, where students got the chance to see and learn how over 16,000 hogs were processed daily. In addition, students toured Beck’s Hybrids in Atlanta, Indiana, where students had the chance to see and learn about the largest family-owned retail seed company. At the convention, students interacted with nearly 70,000 other FFA members from around the country, listened to guest speakers and National FFA Officers, visited with hundreds of agricultural colleges and businesses, went to a rodeo, and went to Kelsay Farms for the annual Buckeye Bash, an outdoor venue for Ohio FFA students. Thank you to everyone who helped make this trip possible.

Once again, the St. Henry FFA delivered over 50 meals to local farmers during harvest time to thank them for their time, dedication and support of agriculture. In addition, as a Capstone project, three students from the FFA chapter recently remodeled a local community member’s shed, where they replaced the roof, doors, and siding. During the holiday season, the first grade class visited the ag shop, where they made personalized snowmen out of wood. A high school student was paired up with the first grader to help measure, cut, sand, and paint the snowmen. While the paint dried, students of all ages enjoyed coloring Christmas pictures, drinking hot chocolate, eating candy canes and marshmallows, and listening to Christmas music. After the paint dried, the first graders gave their snowmen eyes, a nose, mouth, scarf, and a hat.

Finally, the St. Henry Agricultural Education Advisory Committee has been working on creating a St. Henry FFA Ag Boosters organization, a group dedicated to supporting students involved in the St. Henry FFA program. Parents, community members, St. Henry FFA alumni, or anyone who has an interest in agriculture is encouraged to join. If you are interested in supporting your local FFA chapter, please contact Brad Rindler at rindler.brad@sthenryschools.org or call 419-678-4834 ext. 2275. Thank you for your generous support to the St. Henry FFA.

Cross Country Shoe Drive

The St. Henry High School Cross Country team organized a Shoe Drive this fall during their season. Through generous donations by the community, they were able to collect over 200 pairs of shoes to donate to the C.A.L.L. Ministry clothing bank in Celina. A special Thank You is also extended to The Mr. Shoppe in Coldwater for their generous donation to the Shoe Drive. Pictured is Ryan Mestemaker, a Senior Cross Country team member, making the delivery to C.A.L.L. Ministries.

Choir Mrs. Candy Hemmelgarn

On Wednesday, December 18th, 2024, the members of the High School Choir were guests at The Gardens in St. Henry. The choir members visited many residents and sang Christmas Carols to them as part of their semester exam. The residents were very appreciative and the choir sincerely enjoyed spreading Christmas cheer.

Lunch Accounts

Parents, please be mindful of your child's account balance for lunch. You can check the balance on the school website (www.sthenryschools.org) by selecting the lunch information link. You will need to enter your child's PIN number and last name to get the balance. Our lunch prices are as follows:

- K – 8 Regular Lunch - \$2.20
- 9 – 12 Regular Lunch - \$2.30
- Condiments - \$.15
- Peanut Butter - \$.25
- Extra Milk - \$.40
- Extra Vegetables - \$.55
- Extra Fruit - \$.55
- Extra Sandwich - \$1.10
- Extra Items - \$.50**

Many students purchase the extra items that are available. Please talk to your child(ren) about this. To help make sure that our cafeteria can continue to run efficiently, your diligence in keeping your child's account in the positive is crucial.

- Cash and checks are accepted in the school offices for lunch fees as well as PaySchoolsCentral.com for the online payment option.
